What Is The Harm Of. What Is The Harm Of. What Is The Harm Of. Problem-based learning Problem-based learning (PBL) is a pedagogy intended to develop skills in students. It is sometimes referred to as problem-based learning (PBL). PBL differs from traditional "learner-centered" approaches in which students are taught to memorize and regurgitate facts. In problem-based learning, students learn through group work and self-directed study, guided by a tutor. Problem-based
