April 26, 2012 - Hentai: Peach's Untold Story 3.48 (November 2/18) - HIATUS. A place to publish creative projects based on Flash. ... Missing Mario PUT AS3.swf. Once you delete a SWF file, it disappears from the projects folder. That's all. End. What did you think - there will be a continuation  
What did you think - there will be a continuation And there was a sequel. In the sense - not a continuation, but a continuation of the continuation. Yes. Sequel to "Peach's Untold Story" (in this case, it's the name of the series that started the whole story, and only the first part had the name of the project "Peach's Untold Story").
