To make it easier to manage your collection, you can now sort your collection by making payments, items, and coins. This will help you save time when you are developing a strategy for playing. Want to pause your game for a couple of hours? You can do so with our new "Pause" button. This will automatically pause your game and come back with more coins in your wallet. We're also introducing two new features to Gacha Club: The Coin Meter and the Gacha Shop. The Coin Meter gives you an easy way to track how much money you have earned on the game. The Gacha Shop brings you the chance to purchase items that can help you improve your Gacha. Go ahead, treat yourself! This is the full version of Gacha Club. This features a campaign mode, multiplayer games, and is compatible with both iPhone and iPad. You can also download the video game to your PS3 or Xbox 360 console via the Download ID card. Upon receiving the email, follow the instructions to download the game. We also have the Instant Play feature in place which allows you to play the game from your computer. We encourage fans to place their tickets in their mobile wallet for offline use. If you are still unable to access your tickets, please visit the Guest Service windows at the DICK'S Sporting Goods Box Office located inside the Highmark Gate. As long as you have a photo ID and a valid Penguins or Ticketmaster account, we can reprint your tickets. If neither of the links display the expected message, make sure that nothing is blocking your Internet connection. If necessary, add Easy Anti-Cheat and the game folder to your firewall exception list or temporarily disable your firewall. Sometimes connection issues are caused by incorrect network router settings. For further assistance, contact your Internet Service Provider. The history and rise of Gacha Club is one of the best-kept secrets of the mobile gaming industry. There is so much to do, so much to experience! Whether you're one of the hundreds of thousands of Gacha Club players or just wish to check out a game that's rapidly become one of the most popular around, you're in the right place. You can choose to play in Story Mode or Arcade Mode. In Story Mode, the player takes on a variety of tasks, and can then complete the main story to unlock new areas of the virtual world. In Arcade Mode, the player can use coins they earn in the game to improve their rank and speed.
